School

Pakistan International School English Section

09/2009 - 05/2023

Jeddah, Saudi Arabia

Courses

- A - Level Degree

SKILLS

C++

Python

Adaptability

Computer Skills

Ability to Work Under Pressure

PERSONAL PROJECTS

Basic Finance (01/2022 - 02/2022)

- I have developed a basic finance application using the Python programming language. Within Python, I utilized the Tkinter module for graphics. This application allows users to store their financial transactions and create charts to track daily profits. It's important to note that this project is a personal hobby.

WORK EXPERIENCE

Author

Freelance

10/2023 - Present

I write to teach beginners about a robust Programming Language called C++.
